

TIMBER YOGA STUDIO, OXFORDSHIRE

A yoga studio and potting store.

Every now and again we get to create something extra special or unique.

We were thrilled to deliver this home yoga studio and potting store to meet our client's needs.

Ref: OUT6

Client **BRIEF**

To create a spacious, airy, relaxing space that can double up as a stunning yoga retreat close to home, as well as provide space to be used as a potting store. The result is a charming building which is the perfect place to work on some sun salutes.

Our **SOLUTION**

We worked closely with the client to create a unique, relaxing space where they could unwind and practice yoga in peace and quiet. We included additional features such as asphalt shingles, featheredge cladding, oak posts and French doors, culminating in a truly beautiful, tailored build.
